**New Business:**

Jobie Catherman- Jobie presented Council with bids for the cost of a new service truck for public works. The bids included upgrades for a snowplow to be added and utility bed for the truck.

After doing some research Jobie found that he could get forty percent off a new truck through the State of Idaho purchasing competitive bids in our area with Mountain Home Auto Ranch. The truck will also be equipped with a hitch so that they can pull trailers if needed. The cost of the 2019 Ford F250 ¾ ton four wheel drive will be \$36,507.00. The truck will have a five year, 60,000 mile warranty and full service contract. The City has the money in the contingency fund to pay for the truck. Mayor Goff feels that this truck will be a benefit to the City and the cost is a good deal. Councilwoman Cooper says that using the truck as a snowplow will be very helpful on our narrow streets. Councilman Stirm made a **motion** to purchase the truck for \$40,000.00 or less. Councilman Corvinus **seconded**. All ayes. **Motion carried**.

Liquor License- The City Clerk provided Council with a list of the applications for this year's liquor licenses. Councilwoman Cooper made a **motion** to approve the applications for 2019 if they are completed and in by December 31, 2019. Councilman Riley **seconded**. All ayes.
